## University School of Jackson Student Driver Registration Form

University School of Jackson assumes no responsibility for students prior to their arrival at school or after departing from campus.

Students with learners' permits are only to drive on campus under the direction of a parent, not with any other driver. Only student drivers who are properly registered with USJ may park and/or drive on campus.

## **Parking and Driving**

Driving a car on campus is a privilege, not a right. Students are expected to follow all guidelines for operating and parking a vehicle on school property. Failure to follow the guidelines may result in referral to the Dean of Students and/or loss of driving privileges.

1. Only students holding a valid driver's license may drive on the USJ campus.
2. The speed limit on campus is 5 miles per hour. Violation of the speed limit may result in revocation of on-campus driving privileges.
3. Students who drive to school must park in their designated parking areas.
4. Lower School driveways are off-limits to student drivers.
5. Students who drive to school must register their car with the Upper School office and receive a hang tag to be hung on the rearview mirror of the car, with the lettering facing outward.
6. All vehicles are subject to search at any time at the discretion of administration.
7. Students may not be in the parking lot during school hours without permission from the Upper School office.
8. Students may not drive on school trips without prior written permission from parents and the Upper School office.

I have read, understand, and will abide by the above provisions.
